

ELDER VOLUNTEERS NEEDED

\$25 INCENTIVE PROVIDED!

DID YOU KNOW?

California Tribal Communities are greatly affected by opioid (OxyContin, Percocet, Hydrocodone, and Fentanyl) overdose and death.

WHAT CAN YOU DO TO HELP?

The California Rural Indian Health Board would like your help to gather insight about how opioids are affecting your community.

We are conducting focus groups to help us create a plan to address the opioid issue in California Tribal Communities.

NOTE: Focus groups will last 90 minutes and volunteers must be 60 years of age or older and reside in California. Only 8-10 participants are needed.

Date: Wednesday, May 8th

Time: 1:30 – 3:00 PM

Location: 350 N. Barlow Lane, Bishop CA 93514

If you have any questions regarding the focus group, please contact Alejandra Cabrera, Project Coordinator at (916) 286-7290. If you are interested in participating, please inform Emma Williams, Elders Manager (760) 873-3052.
