

Dear Parents/Families,

As you are aware, we are still dealing with the Corona Virus Pandemic, which has caused a lot of changes for everyone.

Currently we are planning to tutor some students in person; as safely as possible, beginning August 24th. The number of students tutored will be based on our capacity with current Corona Virus guidelines - we want to be safe. And we will be offering tutorial assistance via the internet/virtual for as many students as we can. Much of our schedule will be based on the school district's schedule.

Below are a few questions to help us shape our plan and better meet the needs of students and families. Please submit your response to these questions with the afterschool tutor application. We appreciate your support and feedback.
